

NITK partners with Bosch to launch new MTech course

EXPRESS NEWS SERVICE @Mangaluru

NITK Surathkal has signed an agreement with Bosch Global Software Technologies Private Limited, Bengaluru, for starting an industry-sponsored M Tech course offered by the Department of Electrical and Electronics Engineering. A press release said the programme, designed in consultation with Bosch Global Software Technologies Private Limited, will have strong theo-

retical lessons and labs covering important topics in Power Electronics and Control for Electric Vehicle. This programme is first of its kind in NITK based on the institute framework on customized PG programmes. The programme titled 'M-Tech in Power Electronics and Control for Electric Vehicle' will commence from October 2022. It will be a hybrid course (online classes and offline exams at NITK Surathkal). The online classes will be held between 5 pm and 9 pm from Monday to Friday.
