ACTOR and director Prakash Belawadi inaugurated the four-day annual cultural festival, INCIDENT-2023, at National Institute of Technology Karnataka, Surathkal campus, on Wednesday.

Speaking on the occasion, Belawadi said, "The future will be replaced by AI technology." Karnataka State Pollution Control Board chairman, NITK alumnus, Shantha Thi-maiah said, "Saving mother earth is the responsibility of every individual and the

younger generation should actively involve in it." Padma Shree Awardee and environmentalist Tulasi Gowda said clean air and green environment is extremely vital, which is why the younger generations should nurture the habit of planting saplings wherever feasible, to preserve the environment. Tulasi Gowda was presented a cheque of Rs 50,000 as a token of respect during the felicitation.

Director (In-charge), Prof. G.C.Mohan Kumar, Dean Students Welfare, Prof Narendranath S and Registrar, K Ravindranath were present.
